### Portraits in the Making

21st September - 12th November 2011

As part of London Design Festival myself and fellow Crafts Council Hothouse 2010 award winners will present new and innovative portraits of emerging contemporary craft practice at Pitzhanger Manor House & Gallery, Ealing. We were recently awarded an Arts Council England Grant for the Arts with which we are tremendously excited by. The exhibition will challenge perceptions and push the boundaries of work in jewellery, wood, textiles, basketry, ceramics and glass. Follow the blog for the latest developments!
